Sapnap: How much do you get paid to write those again?

George: none. this is an unpaid internship and I hate it here.

the actual dream wtf: Awww, thanks! :)

the actual dream wtf: Wait

the actual dream wtf: How'd you know I was sick???

the actual dream wtf: Oh right, duh

the actual dream wtf: I'm so out of it today

Text message: George, the actual dream wtf

the actual dream wtf: George

the actual dream wtf: Georgeeeee

George: What

the actual dream wtf: I'm bored

George: That's not my problem

the actual dream wtf: I can make a trending tag for you and then it will have to be your problem

the actual dream wtf: Checkmate

George: You are the literal worst

George: Are you still sick today?

the actual dream wtf: Yeah, I'm fully bedridden

the actual dream wtf: Thus, my boredom

George: Well, good luck with that

the actual dream wtf: Hey George

George: Whatttt

the actual dream wtf: Did you really used to hate me?

the actual dream wtf: Back before we met on stan twitter

the actual dream wtf: Which I will never shut up about hahaHA

George: Oh my god

the actual dream wtf: No wait, I really want to know, though

the actual dream wtf: Be honest

George: Hate is a too strong a word

George: It was more like uhhhhh

George: You ever have a mortal enemy, but parasocially? It was like that

the actual dream wtf: Wait WHAT

George: Oh my god this is so embarrassing to write this out, don't interrupt me

the actual dream wtf: Sir yes sir

George: I got a strong sense of...irritation? whenever another stupid tag was trending

George: And let me tell you, there was always another stupid tag trending

George: A lot of them were hard to figure out why they were even trending in the first place

George: And I guess part of the negative emotions I had for the stupid tags wore off to how I perceived you and your content

George: So I had a general distaste for you without having seen any of your content because of that association

the actual dream wtf: Wow, I say be honest and you drop a diss track

George: Sorry

the actual dream wtf: No, don't be, I asked for that

the actual dream wtf: Well, I can see why having to deal with all the trends would get old

George: It's much better now that I have you to translate what's going on

George: Thank you for that

the actual dream wtf: It's actually kinda fun writing those

George: Tell you what, if being a Minecraft youtuber doesn't pan out, I will recommend you to the twitter.com hiring team

the actual dream wtf: I'm flattered

George: Full disclosure: the pay is shit

the actual dream wtf: Lmao, noted

George: Hey, look

George: I'm sorry

the actual dream wtf: ?

George: For not giving you and your fandom a proper chance, before

George: Everyone is actually quite friendly

George: And the trends are for the most part funny if you're in on the inside joke

George: And I can't believe I'm saying this but

George: Your content is actually quite good

George: It was stupid and immature of me to be biased against you before, so I'm sorry

the actual dream wtf: Apology accepted :)

George: Oh, speaking of, you're trending again

George: It's quite wholesome, #restwelldream

Dream: Do you want to facetime again for a few minutes to hash out the description? My thumbs are getting tired

#RanbooSaysHi

Minecraft streamer Ranboo wanted to join in on the meta fun of talking to the Twitter employee that writes the trending descriptions, and asked his fans to pass on a greeting from him - hello right back at you, Ranboo! :D

Text Message: George, Sapnap

George: Holy SHIT Sapnap, I almost messed up so badly today

Sapnap: What happened??

George: So I was chilling with Ranboo on stream earlier

George: And then he started a bit about saying hi to the Twitter Description Man

George: And I just BARELY stopped myself from responding to him then and there

Sapnap: Oh...that would have been bad

George: I think I've reached the point where I no longer enjoy being Clark Kent

George: It's starting to get confusing keeping my identities separate from each other, especially now that I'm actually regularly interacting with the people that I write trending descriptions about

George: And the entire #teamgeorge vs #teamdescriptionman thing REALLY isn't helping

George: ...I'm growing more and more worried that my identity will leak before I'm ready to reveal it

Sapnap: And when do you think you'll be ready to reveal it?

George: Hmm...

George: Probably when I figure everything with Dream out?

Sapnap: BRO

Sapnap: WHAT IS THERE LEFT TO FIGURE OUT???????

Sapnap: IT'S SO OBVIOUS THAT YOU IDIOTS BOTH LIKE EACH OTHER

George: OKAY BUT I STILL HAVE TO LIKE CONFESS AND STUFF SDJKHDFJDFJDF

George: Yeah

George: Uhhhh everyone's using various photos of clowns as their profile pictures, you can just ignore that haha

George: I'm really sorry about the situation Sapnap

Sapnap: Honestly it's fine, the entire thing was fucking hilarious

Sapnap: Just...please just sort out your shit, mate. Your double identity as the twitter description man, your maybe-relationship with Dream. If you could just sort it all out so shit like this doesn't happen again, I'd really appreciate it. For real.

George: Will do.

Text Message: George, Sapnap

George: ALRIGHT. I sat down yesterday and have officially made a plan to Sort Out My Shit!!!!

Sapnap: Yeah so one part of me is wants to go PROUD OF YOU and the other part of me wants to screenshot that message for when things inevitably go to shit again

George: Bruh

Sapnap: Go on, tell me your plan

George: So you know how next week will be the six month anniversary since Dream and I first talked with each other, right?

Sapnap: I literally did not know that but continue

George: You have to keep it a secret, but my fingers may have slipped a little...

Sapnap: But also. Just as a hypothetical. If everything were to go terribly wrong, just let me know, okay? I might theoretically have a backup plan prepared, a doomsday button which once activated would take less than a minute to obliterate Dream for you. Just a theoretical though, of course~ <3
